

INDEPENDENT AUDITOR'S REPORT

To the Members of
Indiabulls Life Insurance Company Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of Indiabulls Life Insurance Company Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Directors' report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Office: D 118, Saket, New Delhi – 110017 Phone: +91 11 4166 3630

Information Other than the Financial Statements and Auditor's Report Thereon (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
- (d) In our opinion, the aforesaid Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

Report on Other Legal and Regulatory Requirements (continued)

- (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Financial Statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- (g) In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid / provided any remuneration to its directors during the year ended March 31, 2022.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigations which would impact its financial position.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv)
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

Report on Other Legal and Regulatory Requirements (continued)

- c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v) The Company has not declared/paid any dividend during the year and subsequent to the year-end.

Annexure A to the Independent Auditor's Report of even date on the Financial Statements of Indiabulls Life Insurance Company Limited for the year ended March 31, 2022

With reference to the Annexure A referred to in the Independent Auditors' Report to the members of the Company on the Financial Statements for the year ended 31 March 2022, we report the following:

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

(B) The Company does not have any intangible assets. Accordingly, clause 3(i)(a)(B) of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its property, plant and equipment by which all property, plant and equipment are verified in a phased manner. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

(c) The Company does not have any immovable properties. Accordingly, clause 3(i)(c) of the Order is not applicable.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets or both during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii) (a) The Company is a service company and accordingly, it does not hold any inventories. Thus, clause 3 (ii) (a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of the security of current assets at any point of time during the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) The Company has not made investments in and provided any guarantee or security to companies, firms, Limited Liability Partnerships or any other parties. However, the Company has granted secured and unsecured loans to companies, firms, Limited Liability Partnerships and to other parties during the year in respect of which:

(a) During the year the Company has provided loans to companies as follows:

	Loans (Amount in Rs. thousands)
Aggregate amount granted /provided during the year	
- Others	11,94,470.00
Balance outstanding as at balance sheet date in respect of above cases	
- Others	37,34,180.00

Annexure A to the Independent Auditor's Report of even date on the Financial Statements of Indiabulls Life Insurance Company Limited for the year ended March 31, 2022 (continued)

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments in or provided security to or provided guarantees to companies, firms, limited liability partnerships or any other parties during the year. According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the terms and conditions of the grant of loans and advances in the nature of loans during the year are, prima facie, not prejudicial to the interest of the Company.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has granted loans during the year to companies where the schedule of repayment of principal and payment of interest has been stipulated and the repayment or receipts are regular.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no amounts of loans and advances in the nature of loans granted to companies, firms, limited liability partnerships or any other parties which are overdue for more than ninety days.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not extended / granted fresh loans during the year to the respective parties to settle the dues of the existing loans.

(f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.

(iv) In our opinion and according to information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans and investments, to the extent applicable to it. The Company has not entered into any transactions in respect of security and guarantees covered under section 185 and 186 of the Companies Act, 2013.

(v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

(vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the services provided by it. Accordingly, clause 3(vi) of the Order is not applicable.

(vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues have been subsumed into Goods and Services Tax ("GST").

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including GST, Provident fund, Employees' State Insurance, Income-Tax, Duty of Customs, Cess and other statutory dues have generally been regularly deposited by the Company with the appropriate authorities.

Annexure A to the Independent Auditor's Report of even date on the Financial Statements of Indiabulls Life Insurance Company Limited for the year ended March 31, 2022 (continued)

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of GST, Provident fund, Employees' State Insurance, Income-Tax, Duty of Customs, Cess and other statutory dues were in arrears as at 31 March 2022 for a period of more than six months from the date they became payable, except as below:

Name of the Statute	Nature of dues	Amount (Rs. in thousands)	Period to which the amount relates	Due Date	Date of Payment	Remarks
The Income Tax Act, 1961	Income tax	94,624.20	Financial year 2020-2021	31-Mar-2021	Yet to be deposited	Yet to be deposited

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no statutory dues relating to GST, Provident Fund, Employees State Insurance, Income-Tax, Sales Tax, Service Tax, Duty of Customs, Value Added Tax or Cess or other statutory dues which have not been deposited on account of any dispute.

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

(ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.

(d) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(d) of the Order is not applicable.

(e) The Company has not raised any funds on short-term basis during the year. Accordingly, reporting on clause 3(ix)(e) of the Order is not applicable.

(f) The Company does not have any subsidiaries. Accordingly, reporting on clause 3(ix)(f) of the Order is not applicable.

(g) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(g) of the Order is not applicable.

(x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) Accordingly, clause 3(x)(a) of the Order is not applicable.

Annexure A to the Independent Auditor's Report of even date on the Financial Statements of Indiabulls Life Insurance Company Limited for the year ended March 31, 2022 (continued)

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

(xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in the Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.

(b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.

(xii) The Company is not a Nidhi Company. Accordingly, the provisions of clause 3 (xii) are not applicable to the Company.

(xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the Financial Statements as required by the applicable accounting standards.

(xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) The internal audit is performed as per a planned program approved by the Board of Directors of the Company. We have considered, the internal audit reports for the year under audit, issued to the Company during the year.

(xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi) (a) As detailed in Note 1 to the Financial Statements, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

Annexure A to the Independent Auditor's Report of even date on the Financial Statements of Indiabulls Life Insurance Company Limited for the year ended March 31, 2022 (continued)

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure B to the Independent Auditor's Report of even date on the Financial Statements of Indiabulls Life Insurance Company Limited for the year ended March 31, 2022

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Indiabulls Life Insurance Company Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting with reference to these Financial Statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

Annexure B to the Independent Auditor's Report of even date on the Financial Statements of Indiabulls Life Insurance Company Limited for the year ended March 31, 2022 (continued)

Meaning of Internal Financial Controls Over Financial Reporting (continued)

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Financial Statements and such internal financial controls over financial reporting with reference to these Financial Statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDIABULLS LIFE INSURANCE COMPANY LIMITED

Summary of significant accounting policies and other explanatory information for the year ended
31 March 2022

1. Nature of principal activities

Indiabulls Life Insurance Company Limited (“the Company”) was incorporated on 03 December 2007 with the main objects of carrying on the business of life insurance as permitted under the Insurance Act, 1938 and by The Insurance Regulatory and Development Authority of India (IRDAI). Pending receipt of all applicable statutory and regulatory approvals, the Company is yet to commence its life insurance business. Accordingly, the financial statements have not been prepared in accordance with the statutory requirements prescribed under The Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor’s Report of Insurance Companies) Regulations, 2002. The Company is domiciled in India and its registered office is situated at M-62 and 63, First Floor, Connaught Place, New Delhi – 110001.

As mentioned aforesaid, the Company’s application for registration as a life insurance company is pending for approval with the IRDAI. Pending receipt of such approvals from IRDAI, the Company has temporarily deployed available funds in financial instruments such as mutual funds, bonds and non-convertible debentures, pursuant to its Board of Directors approved policy. During the previous year ended March 31, 2021, temporary deployment of funds in financial assets as at March 31, 2021 were more than 50 % of its total assets as at March 31, 2021 and its income derived from these financial assets was more than 50% of the gross income for the year ended March 31, 2021. In the opinion of the management of the Company, since the deployment of funds in financial assets and the income earned thereon is temporary in nature pending receipt of required approvals from IRDAI in respect of its registration as a life insurance company, accordingly, the Company is not required to seek registration with the Reserve Bank of India, in terms of section 45-IA and other applicable provisions of the Reserve Bank of India Act, 1934, as a non-banking financial company.

2. General information and statement of compliance with Ind AS

These financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as notified by Ministry of Corporate Affairs (‘MCA’) under section 133 of the Companies Act, 2013 (‘Act’) read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for the periods presented.

The financial statements of the Company were approved for issue by the Board of Directors on 27 May 2022.

3. Basis of preparation

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies. Fair valuations related to financial assets and financial liabilities are categorized into level 1, level 2 and level 3 based on the degree to which the inputs to the fair value measurements are observable. The statement of cash flows has been prepared under indirect method.

4. Recent accounting pronouncements

Ministry of Corporate Affairs (‘MCA’) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

INDIABULLS LIFE INSURANCE COMPANY LIMITED

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022

4. Recent accounting pronouncements (continued)

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 106 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.

5. Summary of significant accounting policies

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

a) Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Companies Act 2013. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

b) Property, plant and equipment (PPE)

Recognition and initial measurement

Properties plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit and loss as incurred.

5. Summary of significant accounting policies (continued)

b) Property, plant and equipment (PPE) (Continued)

Subsequent measurement (depreciation and useful lives)

Depreciation on property, plant and equipment is provided on the straight-line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II to the Companies Act, 2013.

Assets class	Useful life
Computers	3 years
Office equipment	5 years

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in statement of profit and loss when the asset is derecognized.

c) **Intangible assets**

Recognition and initial measurement

Intangible assets (software) are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent measurement (amortization)

The cost of capitalized software is amortized over a period in the four years from the date of its acquisition.

d) **Revenue recognition**

Revenue is recognised when control is transferred and is accounted net of rebate and taxes. The Company applies the revenue recognition criteria to each nature of the revenue transaction as set out below.

Interest income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend income

Dividend income is recognised at the time when right to receive the payment is established, which is generally when the shareholders approve the dividend.

Income from sale of Investment

Profit on sale of investment is recognised on the date of its sale and is computed as excess of sale proceeds over its carrying amount as at the date of sale.

e) **Borrowings costs**

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of profit and loss as incurred.

5. Summary of significant accounting policies (continued)

f) **Impairment of non-financial assets**

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

g) **Financial instruments**

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Subsequent measurement

- i. **Debt instruments at amortised cost** – A ‘debt instrument’ is measured at the amortised cost if both the following conditions are met:
- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

- ii. **Equity investments** – All equity investments in scope of ‘Ind AS 109 Financial Instruments’ (‘Ind AS 109’) are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).
- iii. **Mutual funds** – All mutual funds in scope of Ind AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted.

Subsequent measurement – Amortised cost

Subsequent to initial recognition, financial liabilities are measured at amortised cost using the effective interest method.

INDIABULLS LIFE INSURANCE COMPANY LIMITED

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022

5. Summary of significant accounting policies (continued)

g) Financial instruments (continued)

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

h) Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company is required to consider –

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables

The Company applies approach permitted by Ind AS 109, which requires lifetime expected credit losses to be recognised for trade receivables.

Other financial assets

For recognition of impairment loss on other financial assets, the Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

i) Income taxes

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity. Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Minimum alternative tax ("MAT") credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

INDIABULLS LIFE INSURANCE COMPANY LIMITED

Summary of significant accounting policies and other explanatory information for the year ended
31 March 2022

5. Summary of significant accounting policies (continued)

i) Income taxes (continued)

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets on unrealised tax loss are recognised to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

j) Cash & cash equivalents

Cash and cash equivalents comprise cash on hand, demand deposits and other short-term highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

k) Provisions, contingent liabilities and contingent assets

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

l) Earnings per equity share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgements

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

INDIABULLS LIFE INSURANCE COMPANY LIMITED

Summary of significant accounting policies and other explanatory information for the year ended
31 March 2022

5. Summary of significant accounting policies (continued)

m) Significant management judgement in applying accounting policies and estimation uncertainty (continued)

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Recoverability of advances/receivables – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit losses on outstanding receivables and advances.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However the actual future outcome may be different from this judgement.

Significant estimates

Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Estimation of uncertainties relating to the global health pandemic from COVID-19 (COVID-19):

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on its business operations and financial position, based on its review of current indicators of future economic conditions. The impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial statements. The Company will continue to monitor any material changes to future economic conditions.

All amount in ₹ thousands, unless otherwise stated

Note - 23

31 March 2022

31 March 2021

Earnings per Share (EPS)

Earnings per Share (EPS) is determined based on the net profit attributable to the shareholders' of the Company. Basic earnings per share is computed using the weighted average number of shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of common and dilutive common equivalent shares outstanding during the year including share options, except where the result would be anti-dilutive.

The following reflects the income and share data used in the basic and diluted EPS computations:

Profit/(Loss) attributable to equity holders for basic earnings	1,78,009.86	2,09,426.94
Profit/(Loss) attributable to equity holders adjusted for the effect of dilution	1,78,009.86	2,09,426.94
Weighted average number of equity shares for basic earning per share	15,00,00,000	15,00,00,000
Weighted average number of equity shares for diluted earning per share	15,00,00,000	15,00,00,000

Earnings per equity share of face value of ₹ 10 each

(1) Basic (₹)	1.19	1.40
(2) Diluted (₹)	1.19	1.40

Note - 24

Fair value measurement

(i) Fair value hierarchy

As per Ind AS 107, 'Financial Instruments: Disclosures', the fair values of the financial assets or financial liabilities are defined as the price that would be received on sale of asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Financial assets and financial liabilities are measured at fair value in the financial statements and are grouped into three Levels of a fair value hierarchy. The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: unobservable inputs for the asset or liability.

(ii) Financial assets measured at fair value

31 March 2022	Level 1	Level 2	Level 3	Total
Financial assets				
Financial instruments at FVTPL				
Investments in:				
Bonds	-	-	-	-
Non convertible debentures	-	-	-	-
Total financial assets	-	-	-	-

31 March 2021	Level 1	Level 2	Level 3	Total
Financial assets				
Financial instruments at FVTPL				
Bonds	1,27,126.50	-	-	1,27,126.50
Non convertible debentures	7,44,078.14	-	-	7,44,078.14
Total financial assets	8,71,204.64	-	-	8,71,204.64

(iii) Valuation process and technique used to determine fair value

Specific valuation techniques used to value financial instruments include -

(i) Use of net asset value for mutual funds on the basis of the statement received from investee party.

(ii) Traded (market) price basis recognised stock exchange for quoted instruments.

Note - 25

Financial risk management

i) Financial instruments by category

For amortized cost instruments, carrying value represents the best estimate of fair value.

	31 March 2022			31 March 2021		
	FVTPL*	FVOCI	Amortized cost	FVTPL*	FVOCI	Amortized cost
Financial assets

Other financial liabilities	-	-	3,976.20	-	-	103.89
Total financial liabilities	-	-	3,976.20	-	-	103.89

* These financial assets are mandatorily measured at fair value.

(ii) Financial instruments measured at amortised costs

Financial instruments measured at amortised costs for which the carrying value is the fair value.

(iii) Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

(A) Credit risk

Credit risk refers to the risk default on its obligation by the counterparty resulting in a financial loss. Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks and financial institutions with high credit rating assigned by international and domestic credit rating agencies.

INDIABULLS LIFE INSURANCE COMPANY LIMITED

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022

All amount in ₹ thousands, unless otherwise stated

Note - 25

Financial risk management (continued):

(a) Credit risk management

(i) Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

Asset group	Basis of categorisation	Provision for expenses credit loss
A: Low credit risk	Cash and cash equivalents, loans, investments and other financial assets	12 month expected credit loss/Life time expected credit loss

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

Assets under credit risk –

Credit rating	31 March 2022	31 March 2021
A: Low credit risk		
Current		
Investments	-	8,71,204.64
Cash and cash equivalents	1,547.01	5,850.88
Loans	39,94,497.26	28,44,710.00
Other financial assets	-	10,788.92
B: Moderate credit risk	-	-
C: High credit risk	-	-

Cash and Cash Equivalents

The credit worthiness of such banks and financial institutions with whom cash and cash equivalents are held is evaluated by the management on an ongoing basis and is considered to be high.

Other financial assets

Other financial assets measured at amortized cost includes interest accrued on investments. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

Loans

Loans measured at amortized cost include inter-corporate deposits to the Holding Company and security deposits for business purposes. Credit risk related to these financial assets is managed by monitoring the recoverability of such amounts continuously.

(b) Credit risk exposure

The Company provides for 12 month expected credit losses for following financial assets –

As at 31 March 2022

Particulars	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Investments	-	-	-
Cash and cash equivalents	1,547.01	-	1,547.01
Loans	39,94,497.26	-	39,94,497.26

As at 31 March 2021

Particulars	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Investments	8,71,204.64	-	8,71,204.64
Cash and cash equivalents	5,850.88	-	5,850.88
Loans	28,44,710.00	-	28,44,710.00

(B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

Net undiscounted financial assets/(liabilities)	37,32,450.55				37,32,450.55

(C) Market risk

Foreign exchange risk

The Company has not entered into any foreign currency transactions and is not exposed to foreign exchange risk arising from recognised assets and liabilities denominated in a currency that is not the functional currency of the Company. The Company did not have any foreign currency receivables and payables as at 31 March 2022 and 31 March 2021.

Interest rate risk

Interest rate risk is the risk where the Company is exposed to the risk that fair value or future cash flows of its financial instruments will fluctuate as a result of change in market interest rates. Investment in Bonds/Non-convertible debentures held by the Company are at fixed rate of coupon and accordingly the Company does not perceive any interest rate risk.

Price risk

Exposure

The Company's exposure price risk arises from investments held and classified in the balance sheet either at fair value through profit or loss. To manage the price risk arising from investments, the Company diversifies its portfolio of assets.

Sensitivity

The table below summarises the impact of increases/decreases of the Net Asset Value (NAV) on the Company's investments in Mutual funds, Non convertible debentures & Bonds and profit for the year. The analysis is based on the assumption that the NAV increased by 5% or decreased by 5% with all other variables held constant, and that all the Company's investments in mutual funds /Non convertible debentures/Bonds moved in line with the NAV.

Particulars	Sensitivity of Profit or (Loss)	
	31 March 2022	31 March 2021
NAV-Increase by 5%	-	1,19,695.24
NAV-Decrease by 5%	-	(1,19,695.24)

(This space has intentionally been left blank)

INDIABULLS LIFE INSURANCE COMPANY LIMITED
Notes to the financial statements for the year ended 31 March 2022

Note – 27

Capital management

The Company's objectives when managing capital are:

- To ensure Company's ability to continue as a going concern, and
- To comply with externally imposed capital requirements
- To provide adequate return to shareholders

Management assesses the capital requirements in order to maintain an efficient overall financing structure. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. The Company manages its capital requirements by overseeing the following ratios –

Particulars	Numerator	Denominator	As at 31 March 2022	As at 31 March 2021	Variance %	Remarks
(a) Current Ratio	Current Assets	Current Liabilities	27.38	48.48	(43.52%)	Sale of investments and decrease in cash and cash equivalents and increase in provision for income tax in the financial year ended March 31, 2022.
(b) Debt-Equity Ratio	Total Debt	Total Equity	N.A.	N.A.	N.A.	N.A.
(c) Debt Service Coverage Ratio	Earnings available for debt service	Debt Service	N.A.	N.A.	N.A.	N.A.
(d) Return on Equity Ratio	Net profit / (loss) after tax	Average Shareholder's equity	4.61%	5.69%	(18.92%)	N.A.
(e) Inventory Turnover Ratio	Cost of goods sold	Average value of inventory	N.A.	N.A.	N.A.	N.A.
(f) Trade Receivable Turnover Ratio	Net credit sales	Average trade receivables	N.A.	N.A.	N.A.	N.A.
(g) Trade Payable Turnover Ratio	Other expenses	Average trade payables	N.A.	N.A.	N.A.	N.A.
(h) Net Capital Turnover Ratio	Net Sales	Working capital	N.A.	N.A.	N.A.	N.A.
(i) Net Profit Ratio	Net profit / (loss) after tax	Revenue	59.50%	61.16%	(2.72%)	N.A.
(j) Return on Capital Employed	Earnings before interest and tax	Capital Employed	7.19%	7.15%	0.64%	N.A.
(k) Return on Investment	Income generated from investments	Average cost of investments	0.17%	14.29%	(98.81%)	Sale of investment in bonds/NCDs during the financial year ended March 31, 2022.

Note – 28

Contingent liabilities and commitments

There are no contingent liabilities to be reported 31 March 2022 and 31 March 2021.

Note – 29

Disclosures under the Micro, Small and Medium Enterprises Development Act, 2006 (“MSMED Act, 2006”):

S. no.	Particulars	31 March 2022	31 March 2021
i)	the principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year;	Nil	Nil
ii)	the amount of interest paid by the buyer in terms of section 16, along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year;	Nil	Nil
iii)	the amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under this Act;	Nil	Nil
iv)	the amount of interest accrued and remaining unpaid at the end of each accounting year; and	Nil	Nil
v)	the amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section 23.	Nil	Nil

The above information regarding micro, small and medium enterprises have been determined to the extent such parties have been identified on the basis of information available with the Company.

Note – 30

Segment Reporting

Considering the nature of the Company's business and operations and based on the information available with the management, there are no reportable segments (business and/or geographical) as per Ind AS 108 on ‘Segment Reporting’. Hence, no further disclosures are required in respect of reportable segments, other than those already provided in the financial statements.

Note – 31

i) The Company has not received any funds from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall;

(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

(b) provide any guarantee, security, or the like to or on behalf of the Ultimate Beneficiaries.

ii) The Company has not advanced or loaned or invested any funds from any person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Intermediaries shall;

(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

(b) provide any guarantee, security, or the like to or on behalf of the Ultimate Beneficiaries.

INDIABULLS LIFE INSURANCE COMPANY LIMITED
Notes to the financial statements for the year ended 31 March 2022

Note – 32

There are no proceedings initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) during the year ended March 31, 2022.

Note – 33

The Company has not taken any borrowings from banks or financial institutions on the basis of security of current assets during the year ended March 31, 2022.

Note – 34

The Company has not been declared a wilful defaulter by any bank or financial Institution or other lender during the year ended March 31, 2022.

Note – 35

The Company has not entered into any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956 during the year ended March 31, 2022.

Note – 36

There are no charges or satisfaction of charges yet to be registered with Registrar of Companies by the Company during the year.

Note – 37

The Company did not enter into any transactions which are not recorded in the books of accounts and has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

Note – 38

The Company has not traded or invested in crypto currency or virtual currency during the financial year ended March 31, 2022.

Note – 39

The Company has not entered into any derivative instrument during the year. The Company does not have any foreign currency exposures towards receivables, payables or any other derivative instrument that have not been hedged (31 March 2022: Nil, 31 March 2021: Nil).

Note – 40

In respect of amounts as mentioned under Section 124 of the Companies Act, 2013, there were no dues required to be credited to the Investor Education and Protection Fund as at 31 March 2022 (31 March 2021: Nil).

Note – 41

In the opinion of the Board of Directors, all current assets appearing in the balance sheet as at 31 March 2022 have a value on realization, in the ordinary course of the Company's business, at least equal to the amount at which they are stated in the financial statements. In the opinion of the board of directors, no provision is required to be made against the recoverability of these balances.

Note – 42

There are no borrowing costs required to be capitalised as at 31 March 2022 (31 March 2021: Nil).

Note – 43

The outbreak of COVID-19 virus, and more specifically the ongoing second wave of infections which significantly increased the number of cases in India and the resultant lockdowns continued to cause significant disruptions and dislocations for individuals and businesses. While the lockdown restrictions introduced by the government at the beginning of the year were lifted in a phased manner and was followed by a period of increased economic activity, the Company's performance continues to be dependent on future developments, which are uncertain. There has been no material change in the controls or processes followed in the closing of these financial statements of the Company.

The Company has assessed the impact of the pandemic on its operations and its assets including the value of its financial assets as at March 31, 2022. The management does not, at this juncture, believe that the impact on the value of the Company's assets is likely to be material. However, the operations of the Company are also ultimately dependent on the changes in market conditions. Since the situation is rapidly evolving, its effect on the operations of the Company may be different from that estimated as at the date of approval of these financial statements. The Company will continue to closely monitor material changes in markets and future economic conditions

Note – 44

Figures for the previous year have been regrouped/ re-arranged wherever considered necessary to confirm to the figures presented in the current year.
